ITALIAN CHAPTER

Rome, July 12th 2014

First assembly of the Italian AAACE Chapter

Italian AACE Chapter objectives

ITALIAN CHAPTER

- **Disseminate and implement clinical Guidelines** and other documents produced by AACE: we have just finished to translate AACE guidelines on
 - **Bariatric surgery**
 - **Mini-infusors in diabetes**
 - **2015 AACE/ACE Diabetes Guidelines**
- The Chapter with AME has produced a **Position Statement “Replacement Therapy for Primary Hypothyroidism”** (in press)
- Continue with formal, structured collaborations between the two Associations
- **Establish a partnership with the European and Mediterranean countries Chapters**

14° Congresso Nazionale AME

Associazione Medici Endocrinologi

Joint Meeting with AACE Italian Chapter

ITALIAN CHAPTER

During the 14th AME National Congress the AACE Italian Chapter was organize:

- A Symposium on "**Controversies in the treatment of Graves' disease**" where we will present the Italian and the Gulf countries survey on Graves management.
- A presentation of the Italian version of the AACE guidelines on Bariatric surgery and the Use of mini-infusors in diabetes mellitus

ITALIAN CHAPTER

Accomplishment 2015

- At the 14th AME National Congress in Rimini presented the:
- **ECNU (Endocrine Certification in Neck Ultrasonography).**
- This certification, based mostly on the AACE certification, is an innovation of great importance for those of us in Italy engaged in the thyroid ultrasound procedures.

Update of the 2015 AAACE-AME Thyroid Nodule Guidelines
