Endocrine, Metabolic & Immune Disorders - Drug Targets

ISSN: 1871-5303 (Print)

eISSN: 2212-3873 (Online)

This journal is devoted to full-length/ mini-reviews and original articles based on experimental and clinical studies in the field of endocrine, metabolic, and immune disorders. Specific emphasis is placed on humoral and cellular targets for natural, synthetic, and genetically engineered drugs that enhance or impair endocrine, metabolic, and immune parameters and functions. Moreover, the topics related to the effects of food components and/or nutraceuticals on the endocrine-metabolic-immune axis and on microbiome composition are welcome. The journal's scope also covers neuroendocrinology, reproductive endocrinology, hormone secretion, and their effects on different organs.

Al termine della procedura ricordati di inviare una mail alla nostra segreteria (segreteria@associazionemediciendocrinologi.it), per informarci dell'avvenuta submission, specificando i nomi degli autori ed eventuale presenza di almeno un socio AME giovane under 40 (primo nome o corresponding author): solo in questo caso le spese di pubblicazione verranno sostenute totalmente da AME.

E' importante inoltre inserire il codice sconto «2021BSPAME03» nell'apposito spazio, come ti verrà mostrato di seguito .

Nella pagina successiva, vanno inseriti i dettagli dei singoli autori. Per effettuare questo passaggio è necessario conoscere il Nome e Cognome di ciascun autore del contributo inviato, un indirizzo mail correntemente in uso, il campo di Expertise, il contributo offerto nella preparazione del lavoro (cliccare su menu a tendina accanto alla voce "Author Contribution"), l'affiliazione. L'ordine d'inserimento degli autori deve essere lo stesso riportato sul manoscritto. Una volta completato l'inserimento degli estremi del primo autore, è necessario cliccare su "Save Author" e proseguire con l'inserimento dei restanti.

Una volta completato il processo di inserimento degli autori, cliccare su "Save & Continue". In questo modo, comparirà una schermata in cui viene richiesto di confermare la veridicità delle informazioni inserite. Si tratta di un passaggio importante, perché, una volta confermati, i dati inseriti non potranno essere più modificati.

Nella schermata successiva, verrà richiesto di caricare il manoscritto (in formato word o pdf). È consigliabile accompagnare il manoscritto con una "Cover Letter" riportante in sintesi background, obiettivi del lavoro, risultati e conclusioni del lavoro. Tabelle, Grafici ed eventuale materiale supplementare vanno caricati come file a parte. Ciascun documento caricato, dovrà essere identificato cliccando su apposito menu a tendina (Manuscript, Cover Letter, Tables, etc.).

Una volta completato il processo di inserimento dei file relativi al manoscritto da inviare, è necessario prendere visione del "Copyright Form" riportante tutti i dettagli dei dati inseriti fino a quel momento. Tale documento va riletto per verificare la presenza di eventuali errori di inserimento dati. Una volta verificato, è necessario cliccare su "I Agree". Il Copyright Form va scaricato e firmato.

Al termine della submission, verrà inviata una mail di notifica all'indirizzo mail dell'autore che ha materialmente effettuato la submission ed al corresponding author.

Se ancora non l'hai fatto ricordati di inviare una mail alla nostra segreteria (segreteria@assoziazionemediciendocrinologi.it), per informare dell'avvenuta submission, specificando i nomi degli autori ed eventuale presenza di almeno un socio AME giovane under 40 (primo nome o corresponding author): solo in questo caso le spese di pubblicazione verranno sostenute totalmente da AME.

Grazie per aver scelto di pubblicare con la nostra rivista!
